North Clackamas Parks and Recreation District is a service district of Clackamas County dedicated to providing exceptional parks and recreation programs, facilities and services. Voters approved the formation of the District in 1990 because they saw the need for greater parks and recreation services in the north end of the county. The District – which serves more than 116,000 residents in a 36-square mile area – includes the cities of Happy Valley, Milwaukie and a large area of unincorporated Clackamas County. It includes more than 38 parks, 25 natural areas, 15 miles of trails including the 6-mile Trolley Trail, Mount Talbert Nature Park and three facilities: Hood View Sports Complex, the Milwaukie Center and the North Clackamas Aquatic Park. NCPRD's mission: To enrich community vitality and promote healthy living through parks and recreation.
