IT'S TIME TO WELCOME THE NEW TRILLIUM CREEK PARK TO THE NEIGHBORHOOD

Clackamas County, OR – Community members are invited to celebrate the opening of the new Trillium Creek Park from 11 a.m.-1 p.m. June 14 at the park, 16803 S.E. Anderegg Parkway, Damascus. The free event will include a ribbon cutting, games and crafts for kids, and a barbecue.

The beautiful 1.39-acre neighborhood park in the Anderegg neighborhood was funded through partnerships with North Clackamas Parks and Recreation District (NCPRD), the City of Damascus and the 2006 Metro Natural Areas Bond Measure.

The planning and design process included extensive community involvement. The park was built by T Edge Construction and designed by GreenWorks. NCPRD owns and will maintain the park.

“This was such a successful project because the process included the public every step of the way, said Damascus Mayor Steve Spinnett. “It was a win-win for everybody.”

Elements of the park include:

- Playground with climbing rocks and logs, swings and a play structure
- Walking path
- Covered picnic area
- Basketball court
- Open play areas

WHAT: Trillium Creek Park Grand Opening
WHEN: 11 a.m.-1 p.m. June 14
WHERE: Trillium Creek Park, 16803 S.E. Anderegg Parkway, Damascus

###

North Clackamas Parks and Recreation District is a service district of Clackamas County dedicated to providing exceptional parks and recreation programs, facilities and services. Voters approved the formation of the District in 1990 because they saw the need for greater parks and recreation services in the north end of the county. The District – which serves more than 116,000 residents in a 36-square mile area – includes the cities of Happy Valley, Milwaukie and a large area of unincorporated Clackamas County. It includes more than 38 parks, 25 natural areas, 15 miles of trails including the 6-mile Trolley Trail, Mount Talbert Nature Park and three facilities: Hood View Sports Complex, the Milwaukie Center and the North Clackamas Aquatic Park. NCPRD's mission: To enrich community vitality and promote healthy living through parks and recreation.
