SATURDAY:

SPRING
 4/13-6/8 (no class on 5/25)

Students may be enrolled in more than one class at a time. If the student requires a change of class there will be a \$5 processing fee for each class change and will be dependent on availability. Before enrolling in the next class or session, it is recommended that the student wait for their completion certification.

If the student does not pass and is registered for a higher level course, they will automatically be withdrawn and a credit issued (minus \$5 processing fee). We want to create a safe and successful environment for all students by making sure they are placed in the proper level.
