

Recycled Paper Roll Bird Feeder

SUPPLIES

- Toilet Paper Roll
- Peanut Butter or Honey
- Bird Seed
- Butter Knife or Spreading Tool
- 12"-24" String/Twine (optional)

INSTRUCTIONS

- Spread a moderate amount of peanut butter around the entire outside of the toilet paper roll.
- Roll the toilet paper roll in the bird seed to cover all the peanut butter.
- Run the string through the middle of the toilet paper roll and knot the two ends together to close the loop. If no string is available, feed a thin branch through the middle of the toilet paper roll to hang bird feeder from.
- Place your bird feeder in your yard and wait to watch your neighborhood birds enjoy the treat you've created!
