## **Media Release: North Clackamas Parks & Recreation District receives Excellence in Financial Reporting award**

The North Clackamas Parks & Recreation District (NCPRD) has been awarded the Certificate of Achievement for Excellence in Financial Reporting for its comprehensive annual financial report for the 2019/2020 fiscal year. This is NCPRD's 26th consecutive year receiving the award.

Presented by the Government Finance Officers Association of the United States and Canada (GFOA), the Certificate of Achievement is the highest form of recognition in the area of governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management.

Award recipients must demonstrate a constructive "spirit of full disclosure" to clearly communicate their financial story and motivate potential users and user groups to read the report.

NCPRD is a service district dedicated to providing exceptional parks and recreation programs, facilities and services to more than 105,000 residents in the northern portion of Clackamas County.
