# **ABOUT NCPRD**

North Clackamas Parks and Recreation District (NCPRD) is a service district of Clackamas County dedicated to providing exceptional parks and recreation programs, facilities, and services. Voters approved the formation of the District in 1990 because they saw the need for greater parks and recreation services in the north end of the county. The District – which serves more than 105,000 residents in a 27-square mile area – includes the City of Milwaukie and a large area of unincorporated Clackamas County.

NCPRD offers 34 parks, 17.3 acres of dedicated natural areas, and a network of trails including the six-mile Trolley Trail. Additionally, NCPRD provides a wide range of programs, services, and events, and operates several recreational facilities, including North Clackamas Aquatic Park, Milwaukie Community Center, and the Concord Property.

## **OUR MISSION**

To enrich community vitality and promote healthy living through parks and recreation.

# **OUR VISION**

Enhancing and connecting your community by providing exceptional parks and recreation opportunities for all.

# LAND ACKNOWLEDGEMENT

What we now call Clackamas County is the traditional lands and waterways of the Clackamas, Chinook Bands, Kalapuya, Kathlamet, Molalla, Multnomah, Tualatin, Tumwater, Wasco and many other tribes of the Willamette Valley and Western Oregon. The Indigenous people lived, traded, and navigated along great rivers and tributaries presently named the Clackamas, Molalla, Pudding, Sandy, and Willamette. Many of the original inhabitants of this land died from disease, war, and other conflicts. Those that survived these tragedies were forcibly removed and relocated by European settlers and the United States government because of the land's value. Today, their descendants live on, still carrying on the traditions and cultures of their ancestors.

We honor the Native American people of Clackamas County as a vibrant, foundational, and integral part of our community here today. We thank those who have connection to this land and serve as stewards, working to ensure our ecosystem stays balanced and healthy.

## OUR COMMITMENT TO JUSTICE, EQUITY, DIVERSITY & INCLUSION

North Clackamas Parks and Recreation District is committed to creating an inclusive and equitable environment where everyone—regardless of background—can thrive. We believe diversity strengthens our community and ensures that our parks, programs, and services are welcoming, accessible, and reflective of the people we serve.

# **TRANSLATION SERVICES**

North Clackamas Parks and Recreation District offers translation services in 82 different languages. Using real-time language translation technology, in partnership with Pocketalk, our staff is able to bridge the language divide with residents to remove language barriers to programs and services.

To request translation services, visit the front desk at an NCPRD facility or email **info@ncprd.com**. Find more information at **ncprd.com/translation-services**.

# BRINGING NATURE TO JENNINGS LODGE

NCPRD and the Oregon City School District (OCSD) are cooperatively planning a neighborhood park on the Jennings Lodge Campus, which will provide new recreational opportunities and amenities to the community. We heard from over 760 residents on their hopes and needs for this site, which helped inform the final park design. This beautiful 1.9-acre park will offer residents of all ages and abilities the opportunity to step out of the urban environment and connect with the natural world. Park features include an expansive tree canopy, winding pathways, and two nature-inspired playgrounds with accessible play opportunities throughout.

Construction is anticipated to start in fall 2025, if funding can be secured.

# A PARK, COMMUNITY CENTER & LIBRARY COME TO LIFE

After several years of thoughtful planning and community engagement, the NCPRD-owned Concord Property in Oak Lodge is poised to become the future site of a reimagined community center, a 1.6-acre park, and the new Oak Lodge Library. This integrated development will feature three dynamic facilities, providing extensive opportunities for recreation, education, enrichment, wellness, and social connection. We are thrilled to bring the community's vision for this site to fruition, and to once again establish the Concord Property as the heart of the Oak Lodge community.

Construction is underway and the project is expected to be completed by fall 2025. A grand opening celebration is being planned for October. Stay tuned!
